

Important Notice - Please Read Thoroughly

Thank you all for your patience for the 2025-2026 choir results. Please note that the rosters for Honors Concert, Honors Treble, Cadence, and Beginning Choir are still fluid and adjustments may be made as needed.

A quick reminder: **Beginner Mixed Choir** is listed as **Beginner Treble Choir** on course selections. When completing your course selections, please select **Beginner Treble Choir**. This will be corrected by August. Beginner Choir is open to all Houston Choir students, regardless of grade, and is a wonderful option for those new to choir in a high school setting. I'm excited to bring this choir back next year!

Please be assured that great consideration has gone into all placements. I kindly request that you refrain from reaching out to inquire about specific placements at this time. I would be more than happy to provide detailed feedback at a later date if needed. When selecting students for the choirs, many factors are taken into careful consideration, including pitch center, vocal tone, and the overall needs of the ensemble. These elements ensure that each choir can achieve its best sound and that all voices are placed in the most appropriate setting.

Also, please note that students must be enrolled in a choir course in order to participate in Cadence. This policy ensures that all Cadence members are fully involved in the choir program. For reference, Cadence meets Wednesday mornings and is a treble pop a cappella group. Cadence is not a course. If you are interested in joining Cadence, please contact me to inquire about it. If you auditioned only for Fifth Measure, did not make it, and want to be considered for other choirs, please reach out to me as soon as possible as well.

I want to sincerely thank each of you for auditioning and give a warm welcome to both new and returning students. I'm truly looking forward to the amazing year ahead!

If your name is missing from the roster or if you know someone who still wants to join choir, it's not too late! Please contact me as soon as possible so we can get everything sorted. While I strive for accuracy, errors can happen and I truly appreciate your understanding and cooperation.

Thank you again, and I can't wait to make music together next year!
